Case No. C23-0437-TL-SKV

ORDER REQUESTING STATUS
UPDATE REGARDING SERVICE

By Order dated October 11, 2023, the Court granted Plaintiffs' ex parte motion for expedited discovery, allowing for service of Rule 45 subpoenas to obtain information regarding the identities and locations of Defendants and any others involved in an alleged counterfeiting scheme. Dkt. 18. Subsequently, Plaintiffs provided the Court with a status report indicating that unsealing this action would no longer jeopardize a parallel criminal investigation into the conduct of certain Defendants, Dkt. 22, and the Court, by Order dated June 6, 2024, issued an Order Unsealing Case, Dkt. 23. Plaintiffs have not, since the case was unsealed, provided any further status report.

The Court now ORDERS Plaintiffs to file a status report with the Court on or before **September 18, 2024**. In the status report, Plaintiffs shall advise the Court as to their

1 investigative and service-related efforts, and provide any further updates as to the status of this
2 case. Failure to timely file the status report may result in dismissal of this case without prejudice
3 for failure to prosecute.
